ZERO DOLLARS

HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and ENTREPRENEURSHIP!

My passion is broadcasting everything about Toysinbox and business adventures. Each month, I will report exciting news at Toysinbox, interesting things to do for kids, and enlightening business adventures. So be sure to read the fabulous articles in this issue.

2. Sit in a live presentation on 3D printing (12pm, 1pm, 2pm, 3pm, 4pm)
3. Hands-on try a 3D printer and print a small 3D object that you can take home
4. Have fun with 3D printing pen (6 years old or older, otherwise parent supervision required)
5. Try a 3D scan and see yourself in 3D
6. Check out 3D printed handbags and take a selfie

and many more!
