3D Printing Summer Traveling Programs Across Nation

School is out. **Toysinbox Summer National 3D printing Traveling Program 2019 is kicking off on June 25th**. We will be in **14 states** and travel from East coast to West coast to host fun 3D printing programs on a busy schedule. We will report back once every two days through our Youtube channel at **Toysinbox 3D Printing World**, on our Facebook page @**Toysinbox3DPrinting**, and Instagram page at @**toysinbox3dprinting**. Please follow and subscribe to see how we bring 3D printing

fun and excitement across the nation. If possible, give us a thumbs up; we'll appreciate it :). And of course, we will share **exclusive** information in this monthly newsletter for our loyal members in late July and late August.

Youtube: Toysinbox 3D Printing World

This is our Youtube channel. So far, we have posted **53** short videos, most about one minute long, about our unique 3D printing projects. The videos are a easy and great way for us to share what we are creating with 3D printing, and we have so much more content waiting in the pipeline to show you. Click to see the **27** new 3D printing videos we have posted since last month. Here is the link to our Youtube channel: Toysinbox 3D Printing World. **Please Like and subscribe. Thank you for your support!**

Exclusive New Book Kit Pre-order Offer with Rocket Ends on June 26th, 2019

We are currently releasing a new book kit about 3D modeling. The title is **3D Modeling with Tinkercad for 3D Printing - To Space**. Pre-order our new book kit from our website at www.toysinbox3dprinting.com. If you pre-order our book kit before **June 26th 11:59PM EST, 2019**, you'll receive a cool 3D printed **14-inch-tall rocket** from us this summer to go along with the book kit.
