ZERO DOLLARS

HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com, Toysinbox3DPrinting.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and **ENTREPRENEURSHIP!**

ANNOUNCEMENT

By TOYSINBOX PEOPLE

Run a 3D Printing Program Yourself

Last issue, we announced our **How to run your own 3D Printing Make-Your-Name-Keychain program** webinar, and now we have a finalized date and time! Toysinbox 3D Printing will be hosting this Zoom meeting on August 25th from 2:30pm-3:30pm EST—mark your calendars! We will demo this program and explain the various aspects—from the presentation to managing waiting times—necessary for a fun and successful 3D printing program at your institution, **hosted by yourself**. We will

share tips and recommendations we've picked up over our past eight years of 3D printing event-hosting experience. By the end, you will be confident and ready to host your own events. Please email us at info@toysinbox.com for the Zoom link.

Want to see how we host 3D printing events live? Our 3D Printing Exploration and 3D Print Your Name Keychain programs have been popular and enjoyed by audiences from the east coast to the west coast. We have formally resumed our in-person hosting and are now accepting in-person program bookings for the libraries/schools for Fall 2023! The following picture shows the setup we did for a Print-Your-Name-Keychain program for 20 kids in 90 minutes. If you have questions, ask us on Zoom webinar!

STL Pattern Share July 28th

We finalized a date for our Facebook STL pattern free-sharing event this July. We are sharing the STL file for the first of our three geyser patterns on **July 28th**—please mark your calendars! How to participate: Follow or like us on Facebook at [@Toysinbox3DPrinting](https://www.facebook.com/Toysinbox3DPrinting) and email info@toysinbox.com for the geyser pattern so we can email back with the STL.

Store Mini-Tour Resuming in October

We are resuming our 3D printing store mini-tours in October. Our 3D printing mini-tour was paused during the pandemic. Now we are resuming this activity. Starting in October, we scheduled three mini store tours on October 14th, 21th, and 28th. Please check out our website [here](#) to register and schedule a mini-tour.
