### Free Fall Pattern: Happy Fall You All

This is the first of our Fall Pattern Package in our 3D Printing Meets Embroidery line. See picture 1. Just email your request to [info@toysinbox.com](mailto:info@toysinbox.com) **between now and Sep 30th 12am PST**. We will reply your email with the STL file and a reference picture. After Sep 30th, this pattern will formally go into the Fall Pattern Package. The package will be sold at \$16.99. Hurry now if you're interested in this pattern!

### Fall Pattern: Pumpkin

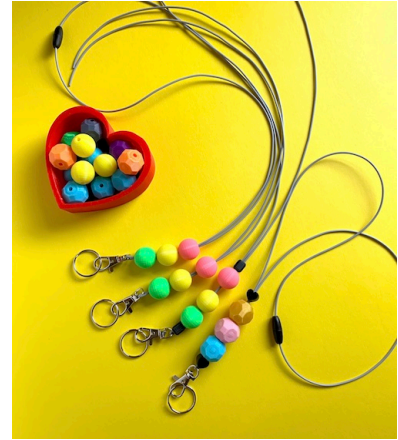

This pumpkin is the 2nd pattern in our Fall Pattern Package. It will definitely add an autumn vibe to your home wall. See picture 2 for the design in detail. Just like previous ones, this pattern is based on original artwork created by a young Toysinbox associate. The fall pattern package is not ready to be released yet, but you can get this digital STL pattern at \$7.99. Please email [info@toysinbox.com](mailto:info@toysinbox.com) to purchase. Also check out our Facebook page [@toysinbox3dprinting](https://www.facebook.com/toysinbox3dprinting) this Friday, September 27th for a short video on this pumpkin in blue with spooky visual effects!
