You spawn in a taiga biome. Turn around, you will find a mega taiga biome with many cows and chickens. If you go straight ahead, you enter a snowy kingdom with snow, grass frozen lakes. A few caves reside in the mega taiga biome. If you travel straight for a while into the snowy kingdom, soon enough you will find sugarcane next to an entirely frozen river. The good thing was we spotted 5 wolves!

Shakespeare can be fun!

Shakespeare + Frozen = Song of Awesomeness! In this example, we use Shakespeare's Sonnet #18 and take out the line: "By chance or nature's changing course untrimmed", we have the perfect lyrics to sing by the tune of "Let it Go". Hope you enjoy and test this theory on other works of Shakespeare! Now give it try on Shakespeare's Sonnet #18 and see it for yourself.

Sonnet XVIII

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate:
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date:
Sometimes too hot the eye of heaven shines,
And often is his gold complexion dimmed,
And every fair from fair sometime declines,
By chance, or nature's changing course untrimmed:
But thy eternal summer shall not fade,
Nor lose possession of that fair thou'owst,
Nor shall death brag thou wander'st in his shade,
When in eternal lines to time thou grow'st,

So long as men can breathe, or eyes can see,
So long lives this, and this gives life to thee.

3D Workshop Youth Advisory Board Meeting

We had our first Youth Advisory Board Meeting on February 21, 2015. Although the weather was horrible, our members tried their best to contribute. Lots of new ideas were spoken and this turned out to be very valuable discussion. Together, we will make the future better.

3D PRINTING GALLERY

By TOYSINBOX PEOPLE

The following picture shows two trophy toppers we designed and 3D printed for Wellesley Free Library Mini Golf fundraising event. One of them will be used for one of the raffle awards and was 3D printed on spot on the first event day. This picture was taken immediately right after the build finish. Can you guess which one will be used for raffle award?

Thanks for Reading and See You Next Month!
