ZERO DOLLARS

HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and KIDS ENTREPRENEURSHIP!

My passion is broadcasting everything about Toysinbox and kids business adventures. Each month, I will report exciting news at Toysinbox, interesting things to do for kids, and enlightening kids business adventures. So be sure to read the fabulous articles in this issue.

Make Your Bulbasaur

On February 22, 2017, Toysinbox was invited by the teen department at Morse Institute Library in Natick, MA to host a 3D Printing & 3D Modeling workshop. The topic was Make Your Bulbasaur. Everyone loves the Bulbasaur from Pokemon. Who doesn't? Each participant made a Bulbasaur. See the finished works in pic1. Each one is super cute!

Boston City-Wide Science Fair

On March 4, 2017, Toysinbox was invited to BPS Science and Engineering Fair's Activity Expo as an exhibitor to provide 3D printing fun activities. We

were constantly busy and loved to meet with new and old visitors. Although it was extremely cold outside (about 15°F), a lot people showed up. See pic 2 for details.

3D Printing a Hamburger Coloring Sheet for St. Patrick's Day

St. Patrick's Day is around the corner. Toysinbox 3D Printing prepared a small gift. It is a coloring sheet with shamrocks all over a 3D printer that is busy printing a hamburger. No one is too old to color. It is great for all. We have posted it on teacherspayteachers.com. Free digital download. The image is in high resolution, so you can enlarge them and they will still stay clear and crisp. Note that teacherspayteachers.com requires you to sign up in order to access our free digital download files. Click <https://www.teacherspayteachers.com/Store/Toysinbox-3d-Printing> to download it.

If you do not want to sign up and still want this file, just contact us at info@toysinbox.com. We will email you this file in high resolution.

Happy St Patrick's Day!

3D Prints in Wellesley Public Libraries

Toysinbox 3D Printing was invited by the Wellesley STEM Expo Planning Committee to show some 3D prints in the reserved display cases in local libraries along with other exhibitors who plan to attend Wellesley STEM Expo 2017. The pic 4 and 5 give you a preview of the 3D prints that are now on display in the main library. Please take a look and come to our booth in Wellesley STEM Expo scheduled on April 8th. We will provide 3D printing and 3D scanning fun activities. Come and join this event! The next one after this will be in year 2019.
