ZERO DOLLARS

HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated kids newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and KIDS ENTREPRENEURSHIP!

My passion is broadcasting everything about Toysinbox and kids business adventures. Each month, I will report exciting news at Toysinbox, interesting things to do for kids, and enlightening kids business adventures. So be sure to read the fabulous articles in this issue.

EVENT REVIEW

By TOYSINBOX PEOPLE

3D Printing for WPI's Women in Science

Toysinbox 3D Printing was invited by Worcester Polytechnic Institute to host an interactive 3D printing exploration program for its Women in Science 2016 summer program on July 19th. A Toysinbox associate brought in three 3D printers and related materials for the 3-hour event. All of the 30 girls enjoyed this interactive 3D printing program. Please see the picture.

3D Printing for International Students

On July 21, Toysinbox 3D Printing hosted an in-store Make Your Keychain workshop and 3D Printing Exploration

for 22 international students. The students came from different countries and are interested in STEM(Science, Technology, Engineering, Mathematics). Our camp students got the opportunity to help as teaching assistants for the workshop. These international students had a great experience in our store.
