ZERO DOLLARS

## HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and KIDS ENTREPRENEURSHIP!

My passion is broadcasting everything about Toysinbox and kids business adventures. Each month, I will report exciting news at Toysinbox, interesting things to do for kids, and enlightening kids business adventures. So be sure to read the fabulous articles in this issue.

### ANNOUNCEMENT

By TOYSINBOX PEOPLE

### New 3D Printing & 3D Modeling Workshop: Make Your Fidget Spinner

You will design and 3D print a fidget spinner in two colors. Add spinning fun to your summer. Pic1 shows some of the fidget spinners our students made last week. For detailed information, please check the link at [http://www.toysinbox3dprinting.com/3d\\_printing\\_classes\\_workshops.html](http://www.toysinbox3dprinting.com/3d_printing_classes_workshops.html).

1

### 3D Printing & 3D Modeling Summer Camps

Toysinbox 3D Printing & 3D Modeling July Summer Camps start on July 5th and run until July 28th. Please check our Facebook page for the pictures of some Summer 3D printing & 3D modeling projects. Add 3D printing fun to your Summer fun!

For detailed information, please check the link at [http://www.toysinbox3dprinting.com/3d\\_printing\\_camps\\_students.html](http://www.toysinbox3dprinting.com/3d_printing_camps_students.html).

### Spinning G-loop

The Spinning G-loop project for intermediate summer camp students is our favorite. It is 3D printed in one piece. You just remove it from the print bed and it can spin. Of course, the design process is not easy. However, the result is rewarding.

2

### Toysinbox 3D Photo Booth

Toysinbox 3D Photo Booth is a great place to make a bust of yourself. See some of the work we did recently. Enjoy!

3

### 3D Printing Summer Programs in Libraries

Toysinbox 3D Printing was invited by the Morse Institute Library to host a Make Your Minecraft Sword 3D Modeling & 3D Printing workshop on **August 4th**.

Toysinbox 3D Printing was invited by the Groton Library to host two 3D Printing Exploration Programs on **August 8th**.

Toysinbox 3D Printing was invited by the Concord Library to host a Make Your Key-chain 3D Modeling & 3D Printing workshop on **August 9th**.

The libraries offer these events free to the public. Please contact the individual Library for registration.

Thanks for Reading and See You Next Month!
