REVIEW OF TOYSINBOX EVENT ON MAY 17TH, 2014

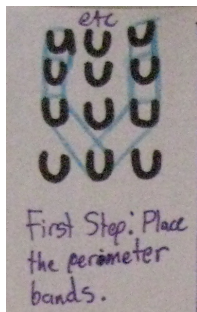

By TOYSINBOX

It was very windy! We had to velcro the display items on the table to prevent them from being blown away. However, everyone was in great spirit. Before 11am, we did not make much sales. However, our neighbor made great sales. People were waiting in line to buy his produces which you can regrow after you pluck off the edible parts as long you add water and sunshine. After 11am, we had a very good time.
