ZERO DOLLARS

HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and ENTREPRENEURSHIP!

My passion is broadcasting everything about Toysinbox and business adventures. Each month, I will report exciting news at Toysinbox, interesting things to do for kids, and enlightening business adventures. So be sure to read the fabulous articles in this issue.

ANNOUNCEMENT

By TOYSINBOX PEOPLE

3D Printing Programs on Zoom: June

Workshop: Make Name Keychain

Available on June 12, 19, 1:30-2:45 (Grade 4-6); 3:30-4:45 (Grade 7 & up)

* A Toysinbox associate will first briefly introduce you to 3D printing, then guide you to 3D model a name keychain.

* Once you finish the keychain 3D model, we will 3D print it out in two colors.

* One color for the letters and a different color for the base.

* If time permits, we will stream part of your keychain being 3D printed for you to see.

* Your keychain will be shipped to you via USPS in 1 business day after the workshop.

* Each workshop is about 1 hour long and is great for age 9 and up.

* Teacher to students ratio is 1:5.

Class: Hello 3D Printing (1)

Week available: June 22-26, 1:30-2:30 (Grade 4-6); 3:30-4:30 (Grade 7 & up)

* A Toysinbox associate will first briefly introduce you to 3D printing, then guide you to finish four 3D modeling projects step by step.

* Each time you finish a 3D modeling project, we will 3D print it out.

* If circumstance permits, we will stream part of each project being 3D printed for you to see.

* Each class is about 1 hour long and is great for age 9 and up.

* Your 3D prints will collectively be shipped to you via USPS in 1-2 business days after the last class is over.

* Teacher to students ratio is 1:5.

Camp: Hello 3D Printing - To Space

Week available: June 22-26, 1:30-3:45 with 15 mins break time

* A Toysinbox associate will first briefly introduce you to 3D printing, then guide you to finish eight 3D modeling projects step by step.

* Each time you finish a 3D modeling project, we will 3D print it out.

* If time permits, we will stream part of each project being 3d printed for you to see.

* Each camp is about 2 hours per day and is great for age 9 and up.

* Your 3D prints will collectively be shipped to you via USPS in 1-2 business days right after the camp is over.

* The textbook will be shipped to you before the start of the camp.

EVENT REVIEW

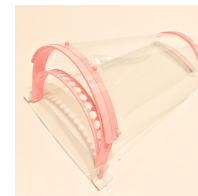

By TOYSINBOX PEOPLE

Protective Face Shield Donation Review (Continued)

Let's Do Good Together

We teamed up with UMass Boston Maker Space, and with the effort from both sides, 30 fully assembled, reusable, and sanitized face shields were donated to first responders in Boston's community in May.

This is a new event we started on April 16th. For every four face shields purchased from us, we will donate one extra to the cause you pick. Please email info@toysinbox.com if you are interested.

3D PRINTING GALLERY

By TOYSINBOX PEOPLE

One day, our countertop oven suddenly stopped working. After fiddling around with it, we discovered the timer was broken! We replaced it with a new timer bought online. But to our surprise, the old oven knob did not fit the new timer. So, we designed a new one and 3D printed it in red. Check the picture below to see how snazzy it is!

Thanks for Reading and See You Next Month!
