ZERO DOLLARS

HELLO, I'M TOYSINBOX TIMES!

I am an Austin-originated newspaper sold at Toysinbox 3D Printing Store, Toysinbox.com and Toysinbox events at zero dollars. I absolutely adore toys, crafts, books, fun activities, and KIDS ENTREPRENEURSHIP!

My passion is broadcasting everything about Toysinbox and kids business adventures. Each month, I will report exciting news at Toysinbox, interesting things to do for kids, and enlightening kids business adventures. So be sure to read the fabulous articles in this issue.

HOLIDAY SHOPPING GUIDE

By TOYSINBOX PEOPLE

Great gifts at Toysinbox

Get ready for the holidays with Toysinbox! With our holiday gift guide, you will certainly find unique and exciting gifts for your loved ones. Here is a list of the popular picks from our customers.

1. **Make a 3D bust or figurine of yourself**

Your loved ones love you deeply. What they want most is you. Why not help them achieve their dreams this holiday season by giving them copies of yourself in 3D-version! Email info@toysinbox.com early to make an appointment so that we can fit you in our busy schedule.

2. **Book a 3D modeling & 3D printing workshop**

Do you always want to learning something exciting with your loved ones? Here is the opportunity. Our popular 3D modeling & 3D printing workshop is perfect for you and your family to try a new thing together. We offer limited workshops on selected dates in November and December. Book now to reserve your spots. Our 3D printing workshops are well designed and are great for anyone who is over 8 years of age.

3. **Get tickets for holiday season 3D printing show**

Our holiday season 3D printing show is a great event for families. We have more than 30 interactive fun 3D printing exhibits and different kinds of 3D printers on display. It will be a unique and wonderful experience for everyone on board.

4. **Reserve a 3D printing summer camp**

If your child begs you for a 3D printing class, it is a perfect time to make your child's dream come true. He/she will deeply thank you for that. Our 3D printing summer camp is unique, fun, exciting and is a tomorrow land for your child. Give this much needed gift and let your child explore the future. Note that for 2018 due to other commitment and busy schedule, we only offer camps in July.

5. **Buy unique and fun 3D prints**

We also have colorful and fun 3D prints for sale. We have different **3D printed fidget toys** such as fidget gearballs, fidget cubes, and fidget spinners. We have 3D prints for bringing **inner peace** such as tabletop miniature zen gardens. For **Whovians**, we have the Tardis tree ornament. For **Minecraft fans**, we have swords and minecraft character head cubes. Personalized **3D printed name keychains** are colorful and are useful for luggage, backpack, lunchbox and instrument cases. We have music boxes singing " You are my sunshine" which are available for customization.

We have many 3D prints available and you can always find something unique that is affordable and is great for stocking stuffers.

6. **3D printing gift certificates**

A small 3D print sample is included for each gift certificate.
